Way to Vote?

2020 | Part 2

Speaker: *Tam Mercer*  
October 24-25, 2020

In Christ we are first and foremost citizens of \_\_\_\_\_.

1. Both \_\_\_\_\_ and \_\_\_\_\_ are included in the Kingdom of God.

2. \_\_\_\_\_ makes people do \_\_\_\_\_ things.

3. Disrespecting government \_\_\_\_\_ shows disrespect to God's \_\_\_\_\_.

4. Political \_\_\_\_\_ matter, but none matter enough to excuse \_\_\_\_\_ Christ's Church

5. Every \_\_\_\_\_ matters, but none are significant enough to \_\_\_\_\_ God's Kingdom.

## WEEKEND REVIEW

1. Is it harmful to say that Christians can only vote one way? Why or why not?

## SCRIPTURE DISCUSSION

2. What is the harm of seeing fellow believers in the opposite political party as enemies?

Read Matthew 5:21-24

3. How does political anger impact our relationship with God and others? Why does Jesus take anger so seriously?

Read James 1:19-20.

4. What is the relationship between listening and agreement? Why do we have such a difficult time listening in political discussions?

5. How would you answer the question, "How can I know if I am truly saved?"

Read Matthew 5:39-42.

6. This weekend, Pastor Tom described how the Apostle Paul called on believers to submit to authority, even in instances of overreach. How can submission, even in the midst of disagreement or overreach, promote the Church's unity and mission?

7. What is the relationship between submission and agreement? How do we submit to something or someone we disagree with?

Read Matthew 6:33-34.

8. Are your anxieties reflective of your earthly or heavenly citizenship? How so? What do your anxieties communicate about your priorities?

9. How does anger and division represent our current political landscape? How does listening and submission represent the Kingdom of God?

## OIKOCENTRIC LIVING

10. How might the elevation of your political opinions impact your influence with your oikos? Are you using your influence in your front row to represent the Kingdom of God or your political party?
